## Proficiency Awards

Students can compete for awards in over 40 areas from Agricultural Communications to Wildlife Management. The Agricultural Proficiency Awards program helps student set goals and gain skills. The program rewards FFA members at the local, state and national levels for exceptional accomplishments and excellence in a Supervised Agricultural Experience (SAE) program. Awards are available to all FFA members enrolled in highschool agriculture, including special needs students. Visit [www.ffa.org](http://www.ffa.org) for more information.
